Processing time

Orders placed before 2:00 PM (local warehouse time) on a business day are packed and handed to the courier the same day. Orders placed after 2:00 PM, on weekends or on public holidays are dispatched the next business day.

Delivery timelines

• Standard Shipping: 3-5 business days after dispatch. Free on orders over $50, otherwise $4.99.

• Express Shipping: 1-2 business days after dispatch. $12.99 flat fee.

• Same-Day Delivery: available in selected metro areas for orders placed before 11:00 AM. $19.99.

Business days are Monday to Friday, excluding public holidays.

Tracking your order

A tracking link is emailed as soon as your order is dispatched. You can also see live tracking under My Account > Orders > Track Package. Tracking can take up to 24 hours to show the first scan after dispatch.

Late or delayed orders

If your order has not arrived by the end of the estimated delivery date:

1. Check the tracking page for courier updates or a "delivery attempted" notice.

2. Check with neighbours, building reception or your parcel locker.

3. Wait one additional business day - most late parcels arrive within 24 hours of the estimate.

If the package is still not delivered 2 business days after the estimated date, contact support with your order ID. We will open a trace with the courier within 1 business day and update you within 48 hours.

Express shipping guarantee

If an Express Shipping order arrives late because of a NexaCart or courier delay, the $12.99 express fee is refunded to the original payment method once the delay is confirmed by the courier trace. Delays caused by an incorrect address or by severe weather are excluded.

Lost or stolen packages

If the courier trace confirms a package is lost, or tracking shows "Delivered" but you did not receive it and the courier cannot locate it within 5 business days, we will send a free replacement or issue a full refund - your choice.

Changing the delivery address

The delivery address can be changed from My Account > Orders until the order status is "Dispatched". After dispatch, address changes are not possible; you may refuse delivery and the item will be returned to us for a full refund once received.

International shipping

We ship to 32 countries. International delivery takes 7-14 business days. Import duties and taxes are payable by the recipient unless stated as "Duties Included" at checkout.
